I am requesting emergency leave for a Family emergency that involves a person who stood in loco-parentis for 5 years or more (in place for parents for 24 hours a day) before I became 18 years of age.

A person in loco parentis is one who stood in place of a parent to the Soldier or the Soldier's spouse for 24 hours a day, for at least a 5-year period before the Soldier or the Soldier's spouse became 18 years of age. The person must have provided a home, food, clothing, medical care, and other necessities as well as furnished moral and disciplinary guidance and affection. A grandparent, or other person, normally is not considered to have stood in place of a person when the parent also lived at the same residence. A person is not considered in loco parentis for performing baby-sitting or providing day care services.
