ARMY EMERGENCY RELIEF

DATE OF INITIATION: 8 MAY 2020

ASSISTANCE BULLETIN NUMBER: 06-2020-1

NAME OF DISASTER: CORONAVIRUS (COVID-19)

SUBJECT: EXPANDED ELIGIBILITY TO ARMY NATIONAL GUARD AND U.S. ARMY RESERVE SOLDIERS FOR ASSISTANCE WITH TRICARE, SGLI AND FSGLI PREMIUM PAYMENTS

1. REFERENCES:
   a. Army Regulation 930-4, dated 5 May 2019
   b. Army Emergency Relief Section Reference Manual (SRM), Chapter 2, dated 15 October 2019

2. APPLICABILITY: These instructions apply to all Army National Guard (ARNG) and U.S. Army Reserve (USAR) Soldiers.

3. PURPOSE:

   As a result of the COVID-19 Pandemic, ARNG and USAR mobilized a number of Soldiers on State (ARNG) and Federal (ARNG and USAR) orders to combat and prevent further spread of the virus, support our local communities and the Nation. The COVID-19 pandemic caused the cancellation of many in-person monthly Battle Assemblies in order to protect the force and minimize the transmission risk. Individual ARNG and USAR Soldiers, and/or their Spouses, may have lost their civilian employment due to COVID-19 considerations as well. The loss of income from these cancellations or loss of employment are particularly challenging to Soldiers in the ranks of Private (E1) through Staff Sergeant (E6).

   This bulletin expands AER eligibility to Army Reserve and Army National Guard Soldiers in the ranks of Staff Sergeant (E6) and below for financial assistance with TRICARE Reserve Select insurance, Servicemembers’ Group Life Insurance (SGLI), and Family Servicemembers’ Group Life Insurance (FSGLI) premiums. The eligibility period is the effective date of this AER Bulletin through 31 December 2020 unless extended or rescinded earlier by AER HQ. This suspends any requirement of number of days to be on any type of orders to receive assistance for these special assistance categories.

4. ELIGIBILITY:

   Soldiers in the ranks of Staff Sergeant (E6) and below Army National Guard and U.S. Army Reserve Soldiers (Single and Married with eligible dependents) in support of COVID-19 relief efforts or impacted by the COVID crisis.

   A dependent is defined as a family member listed in DEERS to include Spouse, children and parent(s) if declared a dependent.
5. RESPONSIBILITIES:

a. U.S. Army Reserve Command (USARC) and Army National Guard Bureau.
   Ensure widest dissemination of these instructions to subordinate commands for further dissemination to Soldiers and Leaders at Company, Battery and Troop levels.

b. Company Commander or First Sergeant:

   1) Validate that there is a valid financial need as a result of the COVID crisis.
