ARMY EMERGENCY RELIEF
2021-2022 Mrs. Patty Shinseki Spouse Scholarship Program
Spouses of Active, Retired and Deceased Soldiers

GENERAL INFORMATION
Army Emergency Relief (AER) is a non-profit organization with the primary mission of providing financial assistance to Soldiers and their dependents in time of valid emergency need. The Scholarship Program was established in 1976 as a secondary mission to help Army families with undergraduate college expenses.

We communicate primarily by email, therefore we advise you to add scholarships@aerhq.org to your email contacts to prevent our communications from being labeled as spam. If you need assistance or have questions during the application process, email scholarships@aerhq.org.

SCHOLARSHIP DETAILS
• The Mrs. Patty Shinseki Spouse Scholarship Program provides Spouses of active duty or retired Soldiers, and widows(ers) of Soldiers who died either on active duty or in a retired status, with financial assistance to pursue their first undergraduate college degree. Spouses of National Guard/Reserve Soldiers on Title 10 Orders are also eligible.

• Mrs. Patty Shinseki Spouse Scholarship Program offers scholarships based solely on financial need as evidenced by Student Aid Report (SAR) generated after the Free Application for Federal Student Aid (FAFSA) is completed. See the FAFSA instructions on the AER website for further guidance.

• Mrs. Patty Shinseki Spouse Scholarship Program is not an entitlement or automatically approved. Students must reapply each year. Award amounts are not guaranteed from year to year and are based on the scholarship budget, total number of applications received, and the student’s enrollment for each term (full time or part time). Note: After the initial scholarship award amount is calculated, the amount may be decreased if the applicant’s enrollment changes from full time to part time. However, the applicant’s award amount will not be increased if the applicant’s enrollment changes from part time to full time.

• Scholarships will be awarded for up to four academic years for full-time students or eight academic years for part-time students. However, students must reapply each year.

• The scholarship funds are awarded and mailed or electronically transmitted directly to the schools, prior to each term, and are to assist with tuition, fees, books and supplies.

ELIGIBILITY CRITERIA
• Student must be a dependent Spouse and registered as the Spouse of the Soldier in DEERS (Defense Eligibility Enrollment Reporting System).

• Student must be pursuing their first undergraduate degree as a full-time or part-time student in an accredited post-secondary or vocational institution listed in the US Department of Education’s Database of Accredited Postsecondary Institutions (http://ope.ed.gov/accreditation/Search.aspx). Those pursing a second bachelor’s degree may be considered on a case by case basis. Scholarship can not be used for graduate level courses.

• Student must maintain a cumulative GPA of 2.0 on a 4.0 grading scale.

• Student must not be active duty or in a reserve component or a retiree of the Army, National Guard, Reserves, or other military branch. Because financial need is already met, students attending Military Service Academies are not eligible.

• Any Spouse Scholarship recipient who also receives funding from other sources (i.e. GI Bill, scholarships, My CAA, VA benefits, etc.) may not be eligible to receive their full scholarship from AER. The Financial Aid Office at each school will determine the recipient’s final eligibility based on the complete financial aid package. Once all costs are covered, any remaining AER scholarship funds must be returned to AER and will not be disbursed to the student.
